**9/16/21**  
**R Group Discussion Questions**

---

What were your thoughts, issues, reflections, or questions about last Sunday's Family Missions Festival?

Discuss and share your thoughts from the message by Scott & Cheryl Braden.

Were you challenged in anyway by the service?

Did the service cause you to make any changes or decisions in your life?

What ministry booths did you visit that most inspired or challenged you?

Is there anything else you'd like to discuss?
